SENATE BILL No. 331

DIGEST OF INTRODUCED BILL

Citations Affected: IC 12-15.

Synopsis: Medicaid lien recovery. Removes a provision that prohibits the office of Medicaid policy and planning from: (1) obtaining a lien against a person lawfully residing in the home of a Medicaid recipient who provides care to the recipient in the home; and (2) enforcing a lien if the Medicaid recipient is survived by a family member. Removes a provision that automatically terminates a lien if the office does not commence foreclosure within nine months after the Medicaid recipient's death. Changes the lien exemption from \$125,000 to \$50,000. Repeals the portion of the Medicaid law that provides for subordination of the lien to the security interest of a financial institution that lends money for certain purposes.

Effective: July 1, 2003.
